President's Letter

We are looking forward to another great summer at Four Seasons! The board will be getting the pool ready for the opening night party on May 27th and hope you can help. All members are asked to pitch in by attending one of the Member Clean Up Days (see the box for dates and times). The more volunteers we have participate the quicker we will get done! Any time commitment and skill level is welcome. We have tasks that will fit all ranges.

We would like to welcome our new manager, Melissa Cobb, to Four Seasons. This fall she will be a senior at the University of Dayton where she is studying Middle Childhood Education. She started lifeguarding at the age of 15, and was a competitive swimmer through high school. We are excited to have her bring her energy and enthusiasm to our pool community! We have also hired Ashley Carey as the assistant manager and you can read a little more about her on the next

page as she is also the new swim coach.

We like to keep our member fees down and have not increased the yearly fees in many years; however, we will be replacing the heater (Yeah!!) in March and will be replacing the leaking water line in April. These expenses will total over \$5000 so we did implement a modest increase of \$10 to the member fees this year to help offset the cost.

We do have several positions still open on the board for the current year. If you would like to help, contact me and we will get you started. We will also be setting up teams to help out with Social activities and Maintenance so be looking for emails in the future or contact the chairs of these committees.

We are very excited to have another great summer! Hope to see you at the pool!

Thank you to Outgoing Board Members!

We want to send a **BIG Thank You** to Four Seasons Board outgoing members. Each of them have put in countless hours of volunteer time to help our pool continue to be the best way to spend your summer! Make sure to thank them for their service to Four Seasons this summer!

Pam Miske/President—Pam served as treasurer and then took over the job of President her last year on the board. We want to thank Pam for the many hours she put into each job.

Bridget Minnis/Vice President—Bridget was Vice President and did a great job overseeing all the snack bar operations.

Jim Hastings/Maintenance—Jim did had the large task of opening the pool and keeping it running throughout the year.

Thank you all once again! Four Seasons remains a wonderful place to spend the summer thanks to all your hard work!

Meet Your 4S Swim Coach-Ashley Carey

Hello Four Seasons! My name is Ashley Carey and I will be your new Head Coach this summer as well as your Assistant Pool Manager. Coaching over the summer has been a passion of mine for a long time. I just moved here from Richmond, VA where I coached for three different teams over a ten year period. I am so thankful to have found a team that shares the same passions about swimming and children as I do, so I could continue doing what I love!

I am twenty-five years old, recently got engaged and have two dogs Charlie and Jack! I am currently a pre-school teacher and have my degree from the University of Richmond. I look forward to an awesome summer full of fun and really can't wait to meet you all! If you have any questions now or during the season please feel free to contact me at ancarey07@gmail.com. I am excited to meet the parents and the swimmers of Four Seasons and can't wait for the summer!
